This Vehicle's Glossary

Below are the specific definitions for events that appear in this vehicle's report. More information is available in the full AutoCheck glossary.

Term	Section Location	Definition
Salvage	Major State Title Brand Check	A salvage vehicle is a vehicle that has been wrecked or damaged beyond repair; declared a total loss by the insurer; or declared a total loss by reason of theft. When an insurance company as a result of a total loss settlement acquires a vehicle, the insurance company must apply for a Salvage Certificate. If the owner retains possession of a salvage vehicle, the owner must obtain a Salvage Certificate before receiving a total loss statement from the insurance company.
Major Damage Incident	Damage Check	When a (i) State agency or third party reported an event that did or may have resulted in vehicle frame or mechanical damage, such as a collision or incident such as vandalism or theft, or (ii) a third party reported that an inspection indicates that a vehicle appears to have sustained frame or other damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
Insurance Total Loss	Other Title Brand and Specific Event Check	Insurance companies label a vehicle a "total loss" when the cost to repair the vehicle to its pre-damaged state exceeds the cost of the vehicle's worth, or actual cash value. Insurance companies must follow certain state law (defined percentage of damage before it can be deemed a total loss) and they also can set their own standards for totaled vehicles.
Titled to an insurance company	Other Title Brand and Specific Event Check	The vehicle's title has an insurance company as the listed owner. This usually signifies that it is probably an insurance total loss when showing after an accident or collision. Insurance companies label a vehicle a 'total loss' when the cost to repair the vehicle to its pre-damaged state exceeds the cost of the vehicle's worth, or actual cash value. Insurance companies must follow certain state law (defined percentage of damage before it can be deemed a total loss) and they also can set their own standards for totaled vehicles.
Loan/Lien	Other Title Brand and Specific Event Check	A loan/lien is the legal right to take and hold or sell the vehicle of a debtor as security or payment for a debt. Normally, a vehicle will have a lien due to a loan or unpaid repair bill against the vehicle. Check with the seller to ensure that the lien has been satisfied.

Personal Use	Vehicle Use	This vehicle was driven for personal use.
--------------	-------------	---

---

Accident	Accident Section	A state or municipality has reported an accident or collision for this vehicle that may or may not have sustained damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
