This Vehicle's Glossary

Below are the specific definitions for events that appear in this vehicle's report. More information is available in the full AutoCheck glossary.

Term	Section Location	Definition
Flood Brand	Major State Title Brand Check	A vehicle is branded with a flood damage title when the cost of repairs exceeds or is a high percentage of the worth of the vehicle's fair market value as reported by the insurance company.
Salvage	Major State Title Brand Check	A salvage vehicle is a vehicle that has been wrecked or damaged beyond repair; declared a total loss by the insurer; or declared a total loss by reason of theft. When an insurance company as a result of a total loss settlement acquires a vehicle, the insurance company must apply for a Salvage Certificate. If the owner retains possession of a salvage vehicle, the owner must obtain a Salvage Certificate before receiving a total loss statement from the insurance company.
Titled to an insurance company	Other Title Brand and Specific Event Check	The vehicle's title has an insurance company as the listed owner. This usually signifies that it is probably an insurance total loss when showing after an accident or collision. Insurance companies label a vehicle a 'total loss' when the cost to repair the vehicle to its pre-damaged state exceeds the cost of the vehicle's worth, or actual cash value. Insurance companies must follow certain state law (defined percentage of damage before it can be deemed a total loss) and they also can set their own standards for totaled vehicles.
Fleet Use	Vehicle Use	The vehicle has been reported as used as a fleet vehicle, by a state source or a wholesale Auto Auction has reported the vehicle as a fleet vehicle. Fleet vehicles are often in good condition. Fleet companies have vehicle care guidelines. A vehicle used by a company for an executive is an example of a fleet vehicle.
Lease Use	Vehicle Use	Vehicle was registered as lease vehicle.
Accident	Accident Section	A state or municipality has reported an accident or collision for this vehicle that may or may not have sustained damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
